CABINET HARDWARE

NATIONAL LOCK COMPANY

ROCKFORD, ILLINOIS

INTRODUCTION TO

MODERN ★

Cabinet Hardware

★ We take pride in presenting this line of Kitchen Cabinet Hardware — the finest and most complete line that we have ever offered to the trade in our 35 years of Hardware Manufacturing.

Modern Cabinet Hardware in matching sets, attractive designs with Bright Chromium Finish for lasting beauty. There are matched sets in every price range — and colors to harmonize with any kitchen color scheme.

Each product is packed in an individual envelope with all parts necessary for its application. This method of packing eliminates loss of small parts and maintains your stock in balance at all times.

De Luxe

CABINET HARDWARE

An attractive, modern set in Bright Chromium Finish that will match any cabinet design or kitchen color scheme. Catch is reversible for Right or Left hand doors and may be applied on wood thicknesses ranging from $\frac{1}{2}$ " to $1\frac{1}{8}$ ". Hinge is of semi-concealed type and is available for $\frac{3}{8}$ ", $\frac{1}{2}$ ", or $\frac{3}{4}$ " insets. Surface type hinges in flush or offset types are also available. See pages 5 to 16 for prices that apply.

N 61-200

Catches

Push button type catches shown on this and following page are all equipped with positive acting reversible catch unit. Plunger pins are notched so catch may be applied to wood thicknesses ranging from $\frac{1}{2}$ " to $1\frac{1}{8}$ ". Strikes for flush or offset doors are included, and instruction sheets are furnished in each envelope.

N61-225

N61-225 Catch

This catch furnished with DeLuxe set illustrated on page 1. Of modern design, it is furnished in Bright Chromium Finish on brass material. May be installed on flush or offset doors varying from $\frac{1}{2}$ " to $1\frac{1}{8}$ " thick. Packed one set, including catch handle, catch unit, strikes, necessary screws, and instruction sheet in an envelope.

Retail value, \$0.60 set; \$7.20 dozen sets.

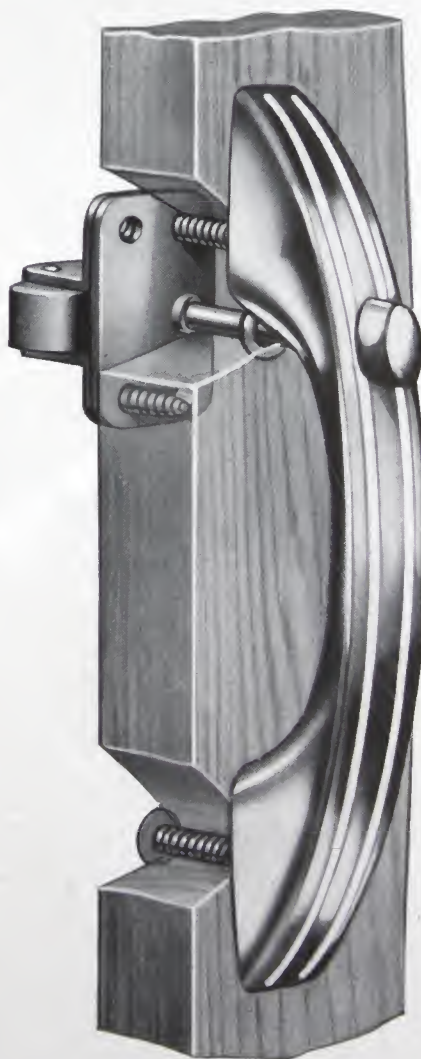

One dozen sets in a carton weigh $2\frac{1}{2}$ pounds.

N61-308 Catch

The Aristocrat set offers something different in an attractive design and finish — Bright Chromium with white lines. Catch has oval push button with positive easy action catch unit. Reversible and applicable to flush or offset doors of varying thicknesses. Chromium applied on brass. Available with White, Red, or Black lines. Packed one set in an envelope.

Retail value, \$0.60 set; \$7.20 dozen sets.

One dozen sets in a carton weigh $2\frac{1}{2}$ pounds.

Catches

Our line of Push Button Catches are easy to install. Instructions for applying are included with each set. Catches may be applied on wood thicknesses from $\frac{1}{2}$ " to $1\frac{1}{8}$ " and on flush or offset doors. Catch unit is reversible for Right or Left hand doors or may be used in upright position when strike is applied under shelf.

N61-6303

N61-6303 Catch

Plastic ends with colored lines to match make this catch very attractive. It is part of the Master set. Constructed of steel and heavily Chromium Plated. Available in Black, Red, or Delphinium Blue. Screws fastened directly into formed part of metal handle. Push button is Bright Chromium Plated. Plunger pin is notched so it can be cut off to fit correct wood thickness. Furnished complete with strikes, screws and instruction sheet.

Retail value, \$0.60 set; \$7.20 dozen sets.

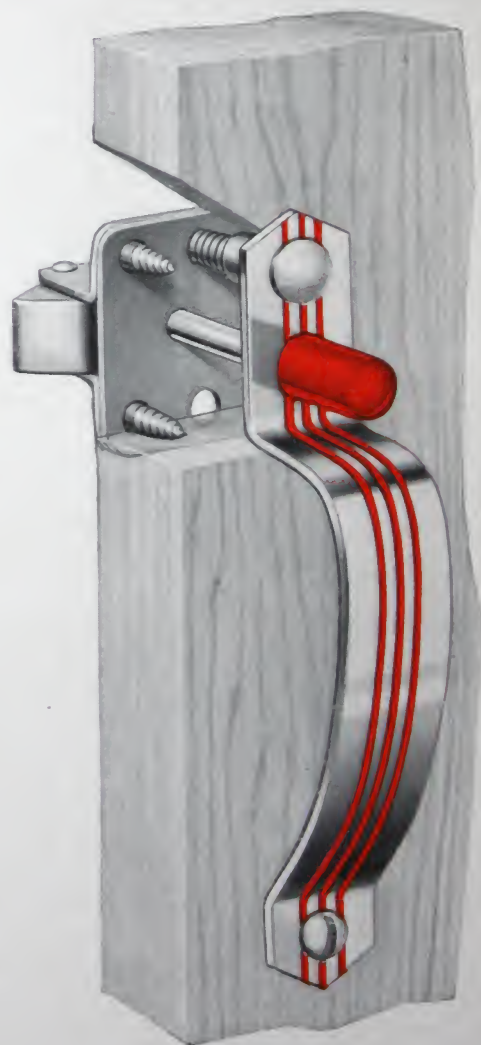

One dozen sets in a carton weigh $2\frac{1}{2}$ pounds.

N61-3333A Catch

An inexpensive Push Button Catch having same reversible and positive catch mechanism as furnished with our better Catches. Heavily Chromium Plated on steel and furnished with Black, Red, or Delphinium Blue lines. It is part of the Utility set and is used with N61-167 Door Pull and N61-158B Drawer Pull.

Retail value, \$0.40 set; \$4.80 dozen sets.

One dozen sets in a carton weigh $1\frac{3}{4}$ pounds.

Handles

On this and following pages we illustrate a series of modern drawer pulls attractively finished in Bright Chromium. These handles are of matching design to Push Button Door Catches and Hinges as illustrated on pages 1 to 4.

N61-200

N61-200 Drawer Pull

The DeLuxe set offers in part, this streamlined Modern Drawer Pull, heavily Chromium Plated on brass. Regularly used with N61-225 Catch. Complete set illustrated on page one. One handle with necessary screws packed in an envelope. Mounting holes $2\frac{3}{4}$ " on centers.

Retail value, \$0.35 each; \$4.20 per dozen.
One dozen in a carton weigh $1\frac{1}{2}$ pounds.

N61-201 Drawer Pull

Similar to N61-200 shown above except that it has one indented line. Bright Chromium Finish on brass with White, Black, or Red line. Mounting holes $2\frac{3}{4}$ " on centers.

Retail value, \$0.35 each; \$4.20 per dozen.
One dozen in a carton weigh $1\frac{1}{2}$ pounds.

N61-201

N61-209

N61-209 Drawer Pull

Ultra-streamlined Drawer Pull of slender design. Chromium plated on brass. When mounted on cupboard doors, any of the spring catches illustrated on page 13 may be used. Mounting holes $2\frac{3}{4}$ " on centers.

Retail value, \$0.35 each; \$4.20 per dozen.
One dozen in a carton weigh $1\frac{1}{2}$ pounds.

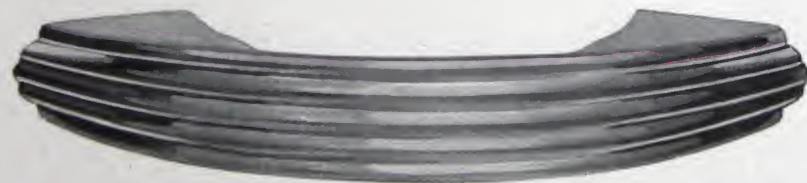

N61-298 Drawer Pull

Regularly supplied with Aristocrat set illustrated on page 2. Available in Bright Chromium with White, Red, or Black lines. Chromium plating is applied on brass to give the utmost in lustre and durability. Mounting holes $2\frac{3}{4}$ " on centers.

Retail value, \$0.35 each; \$4.20 per dozen.
One dozen in a carton weigh $1\frac{1}{2}$ pounds.

N61-298

N61-169

N61-169 Drawer Pull

A popular drawer pull that has been used extensively by cabinet manufacturers. Because of its lower price, it is in big demand. Furnished in Bright Chromium on brass, without painted lines. Mounting holes $2\frac{3}{4}$ " on centers.

Retail value, \$0.30 each; \$3.60 per dozen.
One dozen in a carton weigh $1\frac{1}{2}$ pounds.

N61-8212 Drawer Pull

This pull is part of the Master set illustrated on page 3. May be used as a drawer or door pull. Plastic ends are colored to match color of painted lines. Screws fasten into formed end of metal handle. Available with Black, Red, or Delphinium Blue lines and plastic ends. Mounting holes 3" on centers.

Retail value, \$0.35 each; \$4.20 per dozen.
One dozen in a carton weigh $1\frac{1}{2}$ pounds.

NATIONAL LOCK COMPANY *Rockford, Illinois*

Hinges

We present here and on the two following pages a complete line of Cabinet Hinges of both surface and semi-concealed type. They are available in a large variety of insets and offsets and in Bright Chromium Plating or Prime Coat. All Hinges are packed one pair to an envelope with necessary screws.

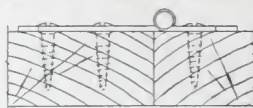

N58-032

N58-032 Flush Type

A surface type Hinge for flush doors. Made of steel and Bright Chromium Plated. The four indented lines are painted in White, Red, or Black. Also available without painted lines.

Retail value, \$0.35 pair; \$4.20 dozen pair.
One dozen pair in a carton, complete with screws weigh 2 pounds.

N58-032B Offset Type

Similar to hinge shown at left except it is made for application to $\frac{3}{8}$ " offset doors. Made of steel and Chromium Plated. Available without painted lines or with White, Black, or Red Lines.

Retail value, \$0.35 pair; \$4.20 dozen pair.
One dozen pair in a carton weigh 2 pounds.

N58-035

N58-035 Flush Type

A modern surface type hinge for flush doors. Made of steel and Bright Chromium Plated. Available without painted lines or with White, Black, Red, or Blue lines. Base has five knuckle raised joint and Bullet Tipped Pins.

Retail value, \$0.35 pair; \$4.20 dozen pair.
One dozen pair in a carton weigh $2\frac{1}{2}$ pounds.

N58-035B Offset Type

For $\frac{3}{8}$ " offset doors. Like flush type hinge illustrated at left. Recommended for use with Master set shown on page 3 or with any of the other sets when a heavy durable hinge is desired. Chromium Plated, with or without painted lines.

Retail value, \$0.35 pair; \$4.20 dozen pair.
One dozen pair in a carton weigh $2\frac{1}{2}$ pounds.

N58-2364E

Semi-Concealed Type

*N58-2364E — $\frac{3}{8}$ " Inset

*N58-2364M — $\frac{1}{2}$ " Inset

*N58-2364D — $\frac{3}{4}$ " Inset

A five knuckle raised joint hinge for overlapping doors. Permits door to be opened to a full 180°. Available in 3 standard insets, $\frac{3}{8}$ ", $\frac{1}{2}$ ", and $\frac{3}{4}$ ". Bullet tips add to the attractiveness of this popular hinge. When applied, only the small base is visible from outside of cabinet.

Retail value, \$0.40 per pair; \$4.80 per dozen pair.
One dozen pair in a carton weigh $2\frac{1}{2}$ pounds.

*Be sure to specify catalog number and dimension of inset.

ILLUSTRATIONS ARE ACTUAL SIZE

Hinges

These smartly styled semi-concealed Hinges were designed to give the utmost in utility and appearance. Sturdily constructed of steel, they have heavy joints and wide bases for increased strength and rigidity. They are packed in attractively printed envelopes—one pair with necessary screws to match finish in each envelope.

N58-2364T

A raised five knuckle joint hinge with formed wing to accommodate rabbeted doors of $\frac{1}{2}$ " or greater inset. Available in Bright Chromium Finish.

Retail value, \$0.40 per pair; \$4.80 per dozen pair.

One dozen pair in a carton weigh 2 pounds.

N58-2346W

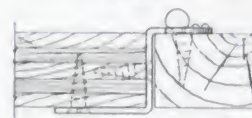

A three knuckle joint hinge with formed wing to accommodate rabbeted doors of $\frac{1}{2}$ " or greater inset. Three knuckle hinge with wide center joint eliminates paint chipping. Furnished in Prime Coat Finish only.

Retail value, \$0.20 per pair; \$2.40 per dozen pair. One dozen pair in a carton with Cadmium plated screws weigh 2 pounds.

N58-2357F

This hinge is made for application to $\frac{3}{4}$ " flush doors. (See application cut above). Available in Bright Chromium or Prime Coat Finish. Specify which finish is desired when ordering.

Bright Chromium Finish—\$0.40 per pair; \$4.80 per dozen pair.

Prime Coat Finish—\$0.20 per pair; \$2.40 per dozen pair with Cadmium plated screws. One dozen pair in a carton weigh $2\frac{1}{2}$ pounds.

Prime Coat Finish — Semi-Concealed Type

N58-2346T — $\frac{3}{8}$ " Inset

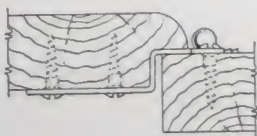

N58-2346F — $\frac{1}{2}$ " Inset

N58-2346H — $\frac{3}{4}$ " Inset

A series of hinges made of steel and finished in Prime Coat so they may be painted or enameled after application. Available in $\frac{3}{8}$ ", $\frac{1}{2}$ ", or $\frac{3}{4}$ " insets. Be sure to specify catalog number and inset when ordering. Screws are Cadmium Plated.

Retail value, \$0.20 per pair; \$2.40 per dozen pair.

One dozen pair in a carton weigh $2\frac{1}{2}$ pounds.

Hinges

These, like the hinges illustrated on previous pages, are constructed to give the utmost in strength and utility. They are in demand by home owners, contractors, builders, etc., because of their special uses.

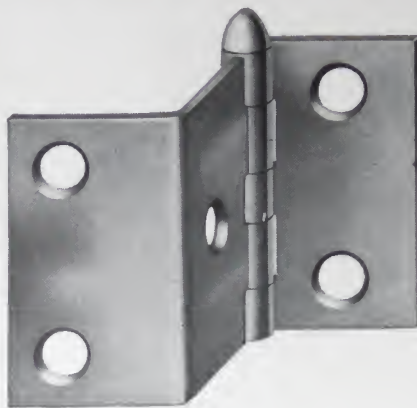

N58-2354A

An inexpensive hinge of surface type for $\frac{3}{8}$ " offset doors. Used with Utility set illustrated on page 4. Finished Bright Chromium and available with Black, Red, or Blue lines. For flush doors we recommend our No. N58-032 Hinge.

Retail value, \$0.30 per pair; \$3.60 per dozen pair. One dozen pair in a carton weigh $1\frac{1}{4}$ pounds.

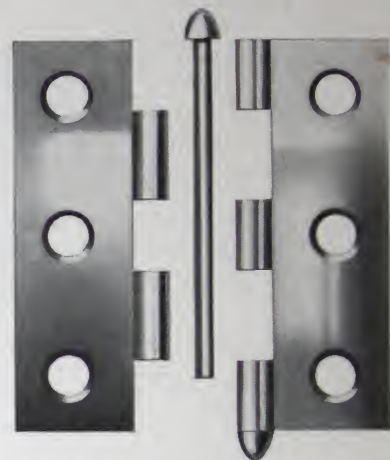

N58-052

When applied, only the joint of the hinge is visible. Made for $\frac{3}{4}$ " flush doors. Joint is $1\frac{1}{2}$ " with loose pin having Bullet Tip. Available in Bright Chromium or Prime Coat Finish. Specify which finish is desired when ordering.

Retail value;—Bright Chromium Finish—\$0.40 per pair; \$4.80 per dozen pair. Prime Coat Finish—\$0.20 per pair; \$2.40 per dozen pair. One dozen pair in a carton weigh $1\frac{3}{4}$ pounds.

N58-1451B — 2" x $1\frac{3}{8}$ "

N58-1461B — 2 $\frac{1}{2}$ " x $1\frac{3}{8}$ "

Two popular sizes of Butts finished in Bright Chromium and packed one pair with necessary screws to an envelope. Hinges are equipped with loose bullet tip pin. They are made of steel.
Retail value:

N58-1451B—\$0.35 pair; \$4.20 doz. pair.

N58-1461B—\$0.40 pair; \$4.80 doz. pair.

One dozen pair in a carton weigh $1\frac{3}{4}$ pounds and 3 pounds respectively.

Sash Hardware

We present here a few of our Sash Hardware products which are popular "over-the-counter" sales items.

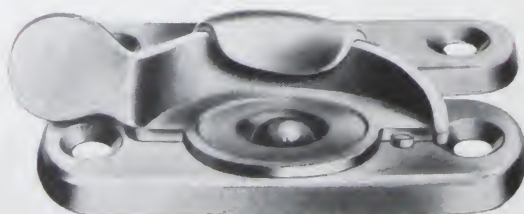

N65-217

N65-217 Sash Lift

A cast brass Lift available in Bright Chromium Plate or Dull Brass and Lacquered. Packed one handle with matching screws in an envelope.

Retail value, \$0.50 each; \$6.00 per dozen.
One dozen handles in a carton weigh 2 pounds.

N65-4201 Sash Lock

Made of Brass and finished in Bright Chromium Plate or Dull Brass and Lacquered. A durable Sash Lock, sturdily constructed to give many years of dependable service. Be sure to specify finish desired when ordering.

Retail value, \$0.50 each; \$6.00 per dozen.
One dozen in a carton weigh $2\frac{1}{4}$ pounds.

N65-5500 Sash Lift

Made of wrought steel and finished in Bright Chromium. A handy Lift with finger grip for use on small windows.

Retail value, \$0.10 each; \$1.20 per dozen.

Packed one in an envelope with necessary screws.
One dozen in a carton weigh 1 pound.

ILLUSTRATIONS ARE ACTUAL SIZE

Spring Catches

We offer here a variety of Spring and Friction Catches for application on inside of cabinets when a knob or handle is used on cabinet door.

N61-204T

N61-204T Snap Grip Spring Catch

(U. S. Patent No. 2,244,344)

A quiet operating Catch. Furnished with 2 types of strikes as illustrated. Elongated holes in catch unit provide easy adjustment. Cadmium Plated. Packed one set in an envelope.

Retail value, \$0.10 set; \$1.20 per dozen sets.
One dozen sets in a carton weigh 1 pound.

N61-3327T

N61-3327T Spring Catch

Supplied with 3 different types of strikes for various door applications. Instruction sheet enclosed in each envelope showing application. Cadmium Plated.

Retail value, \$0.10 set; \$1.20 per dozen.
One dozen in a carton weigh 1 pound.

N61-3320

N61-3320 Friction Catch

An inexpensive friction catch made of tempered spring steel. Cadmium Plated. Packed one in an envelope with strike and necessary screws.

Retail value, \$0.06 each; \$0.70 per dozen.
One dozen in a carton weigh $\frac{3}{4}$ pound.

N61-3396 Spring Catch

A Spring Catch of unusual rigidity and strength. Strike has marker prongs to facilitate installation. Cadmium Plated. Packed in envelopes with strike and necessary screws.

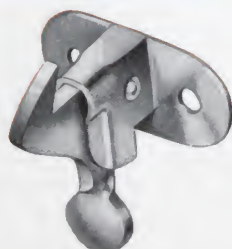

Retail value, \$0.15 each; \$1.80 per dozen.
One dozen in a carton weigh $1\frac{1}{4}$ pounds.

Elbow Catch

Applied to inside of door. Catch is fastened on door and strike fastened under shelf. Finished in Nickel Plate. Packed in envelope with strike and necessary screws.

Retail value, \$0.08 each; \$0.95 per doz.
One dozen in a carton weigh $\frac{3}{4}$ pound.

N61-3348

Bullet Catch

A completely enclosed, varnish proof catch, with one-piece housing. Catch fits $\frac{3}{8}$ " diameter mortise, $\frac{1}{2}$ " deep. One dozen of these catches, with strikes and escutcheon pin for strikes are packed in an envelope. Nickel Plate or Antique English Finish.

Retail value, \$0.03 each; \$0.35 per dozen; \$4.20 per gross.
One gross (12 envelopes) in a carton weigh $1\frac{1}{2}$ pounds.

N61-3312

N61-117 Bread Board Pull

Because of its size, this pull is used primarily for pull out bread boards. It can, however, be used any place where a small pull is desired. Made of steel and Chromium Plated.

Retail value, \$0.10 each; \$1.20 per dozen.
One dozen in a carton weigh $\frac{3}{4}$ pound.

N61-032 Knob

A hollow metal knob of $\frac{5}{8}$ " diameter with fixed wood screw. Chromium Plated.

Retail value, \$0.10 each; \$1.20 per dozen.
One dozen in a carton weigh $\frac{5}{8}$ pound.

N61-043

Utility Hook

Cast Brass Hook, Chromium Plated. A handy hook for use in Kitchen and Bathroom. Furnished with screws.

Retail value, \$0.20 each; \$2.40 dozen.
One dozen in a carton weigh 1 pound.

NATIONAL LOCK COMPANY *Rockford, Illinois*

Envelope Packing

All products shown in this catalog are packed in individual envelopes complete with screws and other parts necessary for their application. Each envelope is attractively printed, showing catalog number and illustration of the product it contains. This method of packing eliminates loss of small parts and enables customer to have all parts necessary when the product is to be installed.

It means more satisfied customers, reduces sales expense due to quicker service, and assures you of no "left-overs" when all the products have been sold. Eliminates counting of screws as correct sizes and quantity are enclosed in each envelope. One dozen of these envelopes are enclosed in each carton.

Attractive Cartons and Labels

Maroon colored cartons of uniform size are used for packing our Cabinet Hardware products. Each carton is attractively labeled. Labels show illustration of the product the carton contains; also gives other information, such as catalog number, description, finish, etc.

Labels are clearly printed — figures are large so they are easily visible from the floor.

Because cartons are of uniform size, they make an attractive shelf or counter display.

"Silent Salesmen" Display Boards

Counter display boards in four different sizes are available for dealers' counters. These new Modern Display Boards act as silent salesmen when placed on your counters or in store windows.

Each board may be purchased separately or with a popular "Profit Packed" Assortment. Dealer has choice of buying the hardware separately in any quantity or color trim that will serve his trade best.

Each assortment is made up of designs that will really sell and that have been popular in our line. No slow-selling colored items are part of these assortments. Bright Chromium Plated matched sets and Bright Chromium with Black or Red trim are standard. Delphinium Blue trimmed hardware is available in the Master and Utility sets, but these are not part of a regular assortment. They may be purchased separately if your customer requires them.

No. 140 DISPLAY BOARD

The finest Assortment, No. 140, contains 27 different items — all fast sellers. There are four different matched sets in this assortment: DeLuxe, Aristocrat, Master, and Utility. Entire assortment is packed complete with display board illustrated at right. Its retail value, including display board, is \$112.16.

Other assortments range in retail value from \$41.65 and up. There is one to fit every dealers' need.

Attractive literature such as this catalog and other sales aids are available for all dealers. Smaller catalog folders are available for distribution to Builders, Contractors, and other customers.

Let one of these display boards go to work for you. Place a board in a popular spot in your store and note the results.
